DIGITAL, E-COMMERCE & MARKETING EXPERIENCE

Digital Project Lead

AUG 2025 – JAN 2026

Explore Saudi · Luxury Travel Platform · Remote, Freelance

- Led the digital launch of Explore Saudi from empty domain to a live five-language luxury travel platform in six months, owning information architecture, CMS delivery and content production across 5 regions, 12 destination hubs, 4 travel styles and six interactive planning tools (budget, visa, packing, weather, currency, prayer times).
- Planned and optimised paid media across Meta and Google — audience targeting and segmentation, ad copy, creative direction, budget management and landing-page optimisation — using traffic and enquiry performance to guide decisions.
- Directed content, social and creator activity on a structured publishing calendar, briefing designers, developers and contributors to brand guidelines, and ran influencer and creator collaborations to build reach across feeder markets.
- Built the multilingual SEO strategy in five languages — English, Arabic, German, French and Chinese — covering keyword and search-intent research, on-page optimisation, content clusters and internal linking.
- Implemented GA4 and reported traffic, channel and funnel performance monthly to the founder, translating data into content and campaign recommendations.

Founder & Operations Director

MAR 2013 – PRESENT

Klovers · Own direct-to-consumer online academy · Run continuously alongside employment, 15+ countries

- Built and operated a direct-to-consumer online education business serving 200+ customers across 15+ countries, with responsibility for acquisition, conversion, retention, pricing and packaging alongside primary employment.
- Delivered 1,318 live sessions in 2022–2024 alone; EGP 80,650 in recorded payments in 2024.
- Took kloversegy.com from no search presence to 19.8k Google impressions and 389 organic clicks in 12 months (Oct 2025 – Sep 2026, Google Search Console), average position 14.5.
- Ran social channels and daily community management — content calendar, posts, comments, DMs and enquiries — in Arabic and English.
- Ran Meta and Google paid-acquisition campaigns alongside organic content, managing budgets, targeting, ad copy and creative.
- Built and segmented the customer database, ran newsletter and promotional email campaigns, and directed external creative and creator partnerships to support awareness and enrolments.

ADDITIONAL MARKETING & PROFESSIONAL EXPERIENCE

Trading Support Executive — JUN 2026 – AUG 2026

SELECTED PROJECTS

Klovers learning platform — built and run myself

Built the academy's bilingual Arabic/English web platform with AI-assisted development (React, Vite, Supabase, deployed on Vercel): placement testing, levelled course paths, a trial-class booking flow with automatic alerts, and an admin dashboard holding 2022–2025 student, session and payment records with data-quality checks — covered by 1,100+ automated tests.

Korean course materials and placement test

Wrote The Klovers Korean Book A-0 (31 pages, 6 chapters + answer key), designed a 7-book series from Level 0 to TOPIK 6, and built a placement test with Korean questions and Arabic instructions.

Trading-support investigation playbook — Doo Group

Turned complex client disputes into evidence-based answers from MT5 tick data, server journal logs and trade reports; calculated compensation to a written methodology for approval; documented it all in the team's SOP and knowledge-base library.
