I take a site from *empty domain* to live — and then make it findable.

Led Explore Saudi from an empty domain to a live five-language travel platform in six months, and designed and built my own academy's platform with Claude: placement test, booking flow and admin dashboard. Behind it sits operations discipline from 3.5 years of SAP order-to-cash at Kerry Group.

6 mo

empty domain to live

Explore Saudi, 2025–2026

19.8k

Google impressions

and 389 organic clicks in 12 months

5

languages at launch

EN · AR · DE · FR · ZH

200+

students in 15+ countries

1,318 live sessions in 2022–24

Explore Saudi (2025–2026) and Klovers (own academy since 2013) · full timeline (2013–2026) on page 2.

“

What stands out immediately is her rare combination of strategic thinking and precise execution — with real attention to detail.

Digital Project Lead

Explore Saudi · luxury travel platform

From empty domain to a live five-language platform in six months.

- **Delivery:** owned scope, timeline, vendor briefing and launch across 5 regions, 12 destination hubs and 6 interactive planning tools.
- **Multilingual SEO** in English, Arabic, German, French and Chinese: keyword and intent research, on-page, content clusters, internal linking.
- **Search growth:** from no search presence to 19.8k Google impressions and 389 organic clicks in 12 months.
- **Campaigns & content:** Meta and Google campaigns, content calendar and creator collaborations; briefed designers, developers and writers.
- **GA4 reporting** to the founder every month, turned into content and campaign recommendations.
- **Business development:** pricing, packaging, P&L, social, community and email in Arabic and English.
